Just moved Ministry

Just Moved Ministry is committed to the spiritual growth and emotional well-being of women who are uprooted due to a PCS. Through biblical teaching and personal support, we prepare, encourage, and equip a woman to let go of the past, rebuild hope, and embrace her new life when she moves. Military installations around the world offer our *Moving On After Moving In* Bible study based on Susan Miller's bestseller, *After the Boxes are Unpacked*. The study guides women through the emotional

stages of a move, helps them become aware of opportunities for spiritual growth, and provides a rewarding way for them to connect with other new women. Learn more at <http://www.JustMoved.org>. Susan Miller will also be teaching a workshop!

Stephanie Dawn Designs

My name is **Stephanie Dawn Hunter** and I am blessed to be a stay at home Army wife and a mother of two beautiful girls. Stephanie Dawn Designs is a new business that features custom made jewelry and fine art. I am excited to debut my jewelry at the SE Region PWOC Conference. I have a passion for art and I have been creating things with my hands since I was little. A few years ago, I began making jewelry for women who wanted something unique, special, and handmade. I mostly work with sterling silver, Swarovski Crystals, quality semi-precious gemstones, and freshwater pearls. I enjoy creating unique one of a kind pieces as well as simple, ready to wear, versatile jewelry for women. My prayer is that God uses my talent for His glory. Remember that you too are a precious gem, perfectly created in His image each time you wear my jewelry! I look forward to sharing my story and creations with you, at my table, Stephanie Dawn Designs.

Explorations In Antiquities Museum

The **Explorations in Antiquity Center** in LaGrange, Georgia, is a living museum of life in ancient times. Through archeological replicas, Biblical meal presentations, lectures, and other personal experiences, ancient Middle Eastern life becomes real today. The goal of the Explorations in Antiquity Center is to help people understand the Bible and the ancient world in its historical and cultural context. We do this by providing exact replicas of ancient life settings coupled with cutting-edge teaching based on the most up-to-date evidence and information in the fields of archaeology and biblical scholarship. Gifts from Israel, replicas from artifacts wait for your discovery at our table! <http://www.ExplorationsInAntiquity.com> Jolane and Ron Shaffer will have unique gifts from the Holy Land available!

Cindee Pratt, Author

I am the wife of a retired Navy EOD officer. While we were active duty military I had the opportunity to be involved with PWOC and value the ministry that PWOC offers. The focus of my ministry is to offer a knowledgeable, reassuring, and honest voice of encouragement and empowerment to women of all ages and at various phases of life. Humor and illustrations drawn from the female perspective is how I communicate what it means to be a woman with the hope and truth found in God's word that replaces the half-truths and misconceptions being circulated within our popular

culture today. It is sad to me that most women cannot declare with full assurance that they are "fearfully and wonderfully made" (Psalm 139:14). <http://www.FearfullyWonderfullyWoman.webs.com> Cindee will have special conference pricing on her book and study guide!
